

Year 3 Homework Grid Summer 1

All children at Trimley St Mary will receive a homework grid each half term. The function of homework is; to give families a starting point for discussion about what has been learned in school and to give children an opportunity to consolidate and extend their understanding. Homework should not be a battle. Family life is busy and can be unpredictable and some activities will take more time than others. This grid gives you an opportunity to pick activities that suit the time you have available – please aim for one activity per week as a guide.

Daily reading and maths activities should continue to be practised – please turn over for details. For the main homework activity each week, children should select a square of the grid to complete and return to school on a Friday. Children will be rewarded for each activity they complete.

<p>Find a rock from the beach and draw a scene from the Stone Age on it using charcoal or chalk.</p> 	<p>Find and label angles within your home and upload your pictures to SeeSaw!</p> 	<p>Look out of your bedroom window and draw what you can see. How much detail can you add?</p> 
<p>Write a creative paragraph about either your own garden or an imaginary one.</p> 	<p>Research Grimes Graves and create an information poster.</p> 	<p>Make your own seed filled granola bar OR a fruit salad.</p>  <p>https://minimalistbaker.com/super-seedy-granola-bars/</p>

Children are also expected to continue with at least 5 minutes of daily reading at home.

To continue with times tables practise on TTRockstars and spellings on Purple Mash and fortnightly homework on My Maths.
