

English

We will continue to learn new digraphs and trigraphs. We will use our prior phonics knowledge to support our Reading and Writing skills.

We will use Pie Corbett/Story mapping & retelling to organise key events in the stories.

We will continue to practise writing letters, words, captions and simple sentences.

We will begin to use full stops, finger spaces and capital letters in our sentences.

The Natural World

We will observe and discuss the changes that happen in the Summer. We will examine and observe plants as they grow. We will discuss features of our local environment.

Maths

We will be consolidating our number knowledge to 20 - composition of numbers.

We will develop an ability to count objects to 10 by touching them as we count. We will continue to subitise to 5.

Continue to develop our understanding of repeating patterns. Use the vocabulary related to 2D shapes. Develop knowledge of doubles to 10 and odd and even numbers.

Continue with our learning on measures including-capacity, height and length

Past and Present

Discuss important events in our own lives and compare these events with our friends. Being to recognise that Kings and Queens are important people.

People and Communities

Listen to our friends and talk about celebrations they take part in. Develop understanding that others do not always enjoy the same things, and show sensitivity to this.

EYFS - Summer Term 1

What do traditional tales teach us?

Expressive Arts

Recall and perform nursery rhymes. Learn a variety of songs. Retell traditional tales and create own narratives and stories.

Creating with materials

Use different media to create new effects. Develop skills and explore using a range of different tools. Share creations explaining the processes used.

PSED

Tolerate delays when our needs are not met immediately.

Computing

Use a range of child friendly programmes. Practice Logging to purple mash and exploring mini-mash.

Coel

Showing a belief that more effort or a different approach will pay off. Making links and noticing patterns in their experience.

PD

Form letters using the cursive font. Use an effective grip. Continue to develop gross motor skills. Independently take off jumpers and cardigans.

RE

Develop an understanding of a range of seasonal celebrations and festivals including Summer Solstice and building more knowledge on Christianity.
