

Would you rather . . . live in your house or a castle?

All children at Trimley St Mary will receive a homework grid each half term. This homework is **OPTIONAL**. You may like to complete one of the 6 activities below each week, on paper, to hand in to your teacher or you can upload work to your SeeSaw page. Regular reading, maths and phonics/spelling activities should continue to be practised - please see the grid on the back for more details.

PE - Let's get physical!!

Give these challenges a go - film yourself and upload to SeeSaw!

English - Write a Cinquain or Kennings Poem about yourself

(we have been practising these in school, so you should know all about these!) Look at the examples below to see what words you need to include. Choose how to set this out and illustrate it.

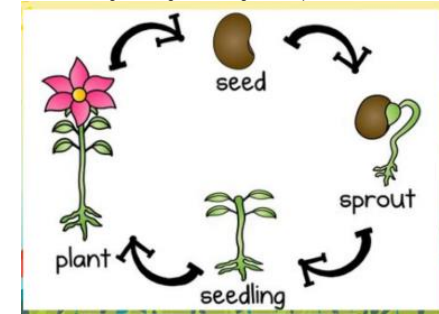

Mrs. Lee is a . . .

Tea-drinker
Shoe-wearer
Child-educator
Cake-eater
Cat-lover

Miss Armstrong
Kind, caring
Teaching, talking, smiling
Helping all her class
Wonderful

Science - Plants: Plant Growth

Investigate the life cycle of a plant.

Make a simple poster or information book to show us what you've learnt. Or you might like to take photos for your SeeSaw page and type a sentence to tell us what you discovered. It's up to you!

Maths

Practise your times tables and start to learn the 2x, 5x, 10x and 3x times tables off by heart. Write the times tables down - what patterns do you notice? Why not practise on Hit the Button - we LOVE this website!!

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Take photos of your shield and upload to SeeSaw, or bring your shield into school.

PSHE & Science - A balanced diet

To keep safe and stay healthy we need to think about the food we eat - we need to have a **BALANCED** diet that incorporates all the food groups. What foods do you like to eat? What are your favourite different healthy foods?

Create a "balanced diet" plate - draw and label all the different foods.

<https://www.bbc.co.uk/bitesize/articles/zhkbn9q#zjsx6g8>

Upload your work to SeeSaw or bring it into school.

English and History

Carry out some research about Framlingham Castle.

Choose how to present this information - bring it into school or upload to SeeSaw.

Daily practice of key skills allows children to become more fluent and more confident, and gives them the chance to build on this knowledge. In reading, maths and phonics/spellings it has been shown that children who regularly practice skills and complete activities in a range of contexts are better able to apply these skills in all areas.

Daily reading - Share your Reading or Library Book, or a book of your own, with a grown up. Enjoy talking about your book and answering questions. Don't forget to complete and return your Reading Challenge Slip every Friday - house points, raffle tickets and class prizes are available, as well as being entered into the whole school draw to win more prizes.

Phonics/Spelling practise - Every Friday, take a look at the OPTIONAL challenge your teachers have set on Purple Mash - you might like to give this a try. We can't wait to see how you get on! Don't forget to keep practising to spell the Year 1 and Year 2 CEWs - you'll find these in the back of your Reading Diaries. The highlighted words you took home at the end of last term, identify the words you need to practise.

Marvellous Maths - Every Friday, take a look at the OPTIONAL Maths Challenge your teacher has set on Purple Mash linked to our learning for the week. You might want to give this a try? We will send home BMBT and CLIC papers each week too - you might like to look at these with your child too.

We LOVED seeing your wonderful work last half term - a huge thank you for your continued support and encouragement. Please do not hesitate to contact your child's teacher if you have any queries about any of this.
