

Year - 2 Homework Grid - Summer 1 - The Enchanted Wood

The BIG question - What would I see in a woodland - Day vs night?

All children at Trimley St Mary will receive a homework grid each half term. This homework is **OPTIONAL**. You may like to complete one of the 6 activities below each week, on paper, to hand in to your teacher or you can upload work to your SeeSaw page. (We recognise that some of these activities might take longer than one week) Regular reading, maths and phonics/spelling activities should continue to be practised - please see the grid on the back for more details.

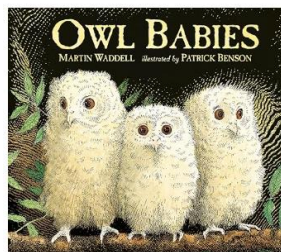

Art & Science

Draw or paint a woodland scene OR create some collages / artwork using woodland materials

You could take a photo and upload it to your SeeSaw page, or bring your masterpiece into school. We'd love to display your artwork!

English - Owl Babies

Enjoy listening to the story of Owl Babies.
<https://www.youtube.com/watch?v=bXP66T2wp-k>
Choose to either retell the story or write about your favourite part of the story. Either take a photo of your writing and upload to SeeSaw or bring your work into school.

Science - Living Things and their Habitats

What do animals and plants need to survive? You could use information books or the Internet to answer this question. These clips might be useful.

<https://www.youtube.com/watch?v=dUBIQ1gTRzI>

<https://www.youtube.com/watch?v=k4UDf3tF04>

Make a simple poster or information book to show us what you've learnt. Include diagrams with labels. Or you might like to take photos for your SeeSaw page and type a sentence to tell us what you discovered. It's up to you!

Maths and Art

Create fraction flowers!

Take photos of your fantastic fraction flowers and upload to SeeSaw, or bring your work into school.

PSHE - Being My Best - Developing a positive attitude to learning and building a growth mindset. Consider and discuss the following:-

- What sort of things can you do now that you couldn't when you were a baby?
- Was it always easy to learn to do those things?
- What did you have to do in order to make it easier? (Keep practising, not give up, try to learn from mistakes, get ideas or help from other people etc.)
- What would you like to improve at?

Enjoying singing the Growth Mindset Song!!

<https://www.youtube.com/watch?v=6fq1jvIy2AE>

Choose how to show us what you've learnt! Poster, painting, information book - the choice is yours!
Upload your work to SeeSaw or bring it into school.

Science and Outdoor Learning - Visit a woodland - take photos - label and describe what you saw, heard, felt and smelt?

You might enjoy watching this video to inspire you?

<https://www.bbc.co.uk/bitesize/articles/zxxxd96f>

Choose how you'd like to present your work - either upload it to SeeSaw or bring it into school.

Daily practice of key skills allows children to become more fluent and more confident, and gives them the chance to build on this knowledge. In reading, maths and phonics/spellings it has been shown that children who regularly practice skills and complete activities in a range of contexts are better able to apply these skills in all areas.

Daily reading - Share your Reading or Library Book, or a book of your own, with a grown up. Enjoy talking about your book and answering questions. Don't forget to complete and return your Reading Challenge Slip every Friday - house points, raffle tickets and class prizes are available, as well as being entered into the whole school draw to win more prizes.

Phonics/Spelling practise - Every Friday, take a look at the challenge your teachers have set on Purple Mash - you might like to give this a try. We can't wait to see how you get on! Don't forget to keep practising to spell the Year 1 and Year 2 CEWs - you'll find these in the back of your Reading Diaries and the highlighted words you took home, identify the words you need to practise. New, updated highlighted lists coming home soon too!

Marvellous Maths - Every Friday, take a look at the Maths Challenge your teacher has set on Purple Mash linked to our learning for the week. You might want to give this a try? We will send home BMBT and CLIC papers each week too - you might like to look at these with your child too.

We LOVED seeing your wonderful work last half term - a huge thank you for your continued support and encouragement. Please do not hesitate to contact your child's teacher if you have any queries about any of this.
