Useful ways to support learning at home:

Reading challenge: reading for 5 minutes 5 times a week, giving your slip in on a Monday.

Maths: Use the number cards in your staring school pack and match them to numbers in your home. Select a card and count out that many objects.

English: Use your phoneme mat to practise writing at home.

Independence: Encourage children to change independently. Practise doing up and undoing zips. Practise personal toileting needs independently.
