

We promote **spiritual** development by:

- ❑ Wondering about the magic of reading and how letters create meaning, developing curiosity and a sense of awe as children unlock words.
- ❑ Creating confidence and self-belief through early reading success, using creativity and communication to express themselves and discover new ideas.
- ❑ Reflecting on learning progress and personal growth, using critical thinking and commitment to overcome challenges and celebrate achievement.

We promote **moral** development by:

- ❑ Considering the importance of honesty and effort in learning, using curiosity and critical thinking to understand that perseverance leads to progress.
- ❑ Collaborating with peers during reading practice, communicating respectfully and showing integrity by taking turns and supporting others.
- ❑ Celebrating success and effort fairly, using commitment and creativity to encourage others and recognise everyone's progress.

Personal Development in Phonics at Trimley St Mary School

We promote **social** development by:

- ❑ Sharing reading and phonics practice with peers, developing communication and collaboration through partner work and group activities.
- ❑ Supporting others during guided reading, using curiosity and critical thinking to help classmates sound out words and build fluency.
- ❑ Celebrating progress together, showing commitment, confidence and respect for each other's achievements

We promote **cultural** development by:

- ❑ Exploring stories and texts from different cultures, developing curiosity and communicating respectfully about diverse experiences and traditions.
- ❑ Creating reading experiences that reflect a range of voices and backgrounds, collaborating creatively to share and celebrate cultural stories.
- ❑ Comparing language and storytelling styles from around the world, using critical thinking and commitment to appreciate cultural diversity in reading.
