

We promote **spiritual** development by:

- ☒ Experiencing the wonder of sounds, rhythms and melodies, developing curiosity and a sense of awe in musical expression.
- ☒ Creating music individually and collaboratively, using creativity and communication to explore emotions and personal meaning.
- ☒ Reflecting on musical performances and compositions, using critical thinking and commitment to connect with feelings, ideas, and the wider world.

We promote **moral** development by:

- ☒ Considering the impact of music on others, using curiosity and critical thinking to explore themes of fairness, respect and empathy.
- ☒ Collaborating in ensembles and group performances, communicating respectfully, showing integrity and supporting each other.
- ☒ Committing to practice and improvement, using creativity to solve musical challenges and demonstrating responsibility for personal and group outcomes.

Personal Development in Music at Trimley St Mary School

We promote **social** development by:

- ☒ Joining in group music-making, developing curiosity and communication through shared musical experiences.
- ☒ Collaborating in ensembles, using creativity and critical thinking to work together and support each other's contributions.
- ☒ Celebrating shared achievements through performances, showing commitment, confidence and respect for others.

We promote **cultural** development by:

- ☒ Exploring music from different cultures and traditions, developing curiosity and communicating respectfully about diverse musical styles.
- ☒ Creating and performing music inspired by global sounds, working collaboratively and creatively to celebrate cultural diversity.
- ☒ Comparing musical traditions from around the world, using critical thinking and commitment to appreciate and respect different cultural expressions.
