

Parent leaflet: Summer

Classes: Elm & Ash

Our topic this term:

What makes my place on Earth home?

Our learning this half term:

- To continue to follow our progression in maths, developing calculation and reasoning skills.
- Recall multiplications in any order automatically.
- Immersing ourselves in our chosen texts.
- Writing a non-chronological report and instruction writing.
- Exploring and increasingly use the French language in simple conversation.
- Learning about what prehistoric life was like in the Stone Age, Bronze Age and Iron Age.
- Learn all about our local settlements and explore fieldwork within this.
- Use formal methods to solve mathematical questions.
- Compose our own song in a small group, using a variety of instruments.
- Create a pasta salad.
- To learn about various angles.
- To promote an awareness of recycling within school and the importance of avoiding single use packaging.

Ongoing learning:

- Guided reading sessions
- Learning spellings
- Handwriting - letter formation/fluently cursive script.
- Monster multiplication
- Grammar - to develop using fronted adverbials, subordinate clauses, and paragraphing.

Key dates or things to remember:

Come into school in your PE kit on Thursdays.

WILD WEDNESDAYS

Wednesday 7th May

Tuesday 24th June

Useful ways to support learning at home:

Reading Challenge: Reading for 5 minutes, 5 times a week, give in your slip on a Friday morning.

Maths: My Maths homework is set fortnightly. Multiplication quiz and games on Purple Mash. To revise times table knowledge on TTRockstars.

English: Spelling quizzes on Purple Mash each week.
