Dear Parents & Carers

Well, we made it to the end of term and another school year!

Firstly it is with great sadness that we say goodbye to Mrs Lloyd, but we would like to take this opportunity to wish her and her family all the best for the fun and exciting new adventures that they have planned together. Once the removal boxes have been emptied we hope that you have a fabulous summer break, settling into your new home. We know that you will meet all the exciting new challenges that the autumn term will bring and that the children and new school you will be sharing your talents with will be very lucky to have you there.

We would also like to wish the best to our Year 6 leavers as you move onto the next stage and commence High School - take every opportunity and enjoy the new lessons and friendships that High School has to offer.

Finally, before all the information parts of this Newsletter, we would like to take this opportunity to wish everyone a happy, healthy and safe summer break. We look forward to seeing you and all the new Early Years Foundation Stage children who are joining us as they start on the first steps of their school life journey on Wednesday 6th September.

From all the staff at Trimley St Mary Primary.

Changes to Breakfast and Payable After School Clubs

From September 2023, our Breakfast clubs, lunch time provision and after school clubs will be run in partnership with Ipswich Town Foundation. We are excited to also support the school within PE lessons three days a week, creating a partnership between Trimley and the football club. Not only will this increase the PE and school sports provision but also provide exclusive opportunities for the children throughout the year. We will look to build a strong relationship with the school, children and families and become an increasingly familiar face to the children. Please follow the links provided to sign up and view more information about each club we have on offer!

We hope you agree this is a positive opportunity for your children and feel so pleased to be able to offer these to you. We will review the extracurricular opportunities regularly and will adapt/add where we feel necessary too, so feedback is always welcome.

Trimley Treasure Trove

We would like to thank everyone who has supported our very well used Trimley Treasure Trove over this past year. We were amazed by the generosity of our staff and families and are pleased to confirm that this "Trove" will continue into the new term.

We are pleased with the success and amount of clothing that was reused & recycled at various events over the summer term and are pleased to confirm that we have a marvellous selection which will be available again in September. However, we are now aware that we will be closed for the next few weeks, therefore some of our stock has been shared with the "Bus Shelter", located in the row of shops behind the school. Items, including logoed uniform, will be available from them throughout the summer holidays.

Opening times for the food and clothing Treasure Trove will be shared with you on our return to school.
