

Through engaging MFL lessons, children develop confident speaking and listening skills, express their ideas clearly, and apply key vocabulary independently.

Impact-

Children show enjoyment in MFL, thinking and communicating confidently as young linguists.

Children's attitudes, effort, and attainment in MFL are regularly assessed.

Using the Kapow MFL scheme to guide planning and learning, ensures its structured sequences and resources are implemented consistently across lessons.

Implementation-

Teaching motivates learners and ensures they receive the support, challenge & adaptations needed to develop their language skills.

Teaching in modern foreign languages is explicitly planned & coherently sequenced in line with the National Curriculum, ensuring progressive development of the statutory knowledge and skills.

Intent-

- The confidence to speak with good intonation and pronunciation.
- Fluency in reading.
- Fluency and imagination in writing.
- A strong awareness of the culture of the countries where the language is spoken.
- A passion for languages and a commitment to the subject.
- The ability to use language creatively and spontaneously.
- An independence in their studies and the ability to draw upon a wide range of resources.

Key MFL vocabulary is introduced, practised, discussed & explained in every lesson.

Retrieval practice & building on previous learning enables children to understand the sequence of their MFL learning.

Children experience phonics, vocabulary, grammar & opportunities for listening, speaking, reading & writing.

Using metacognitive strategies such as Think-Pair-Share and Cold Calling in MFL helps children develop confidence in speaking and listening, enabling them to rehearse language, engage in purposeful discussion, and articulate their ideas more clearly.

Interactive games and quizzes enrich MFL practice, helping pupils practise vocabulary, develop skills & gain confidence.

Children develop independence and resilience, confidently using their creativity & critical thinking to communicate effectively.

Children show enthusiasm for MFL, speaking confidently about languages, cultural traditions & how these influence communication and interactions.

Children are encouraged to apply their MFL learning across the curriculum, making meaningful connections that strengthen language knowledge and skills.
