Time commitment

The time commitment for school governors will vary. However, all governors must attend at least 3 meetings of the full board per year. The term of office is 4 years.

Usually, governors sit on a committee or become a link governor for an area they have knowledge of, or are particularly interested in – for example, the finance committee or the SEND link governor. Committees generally meet up to 12 times a year.

Preparation for meetings includes reading papers and preparing questions for senior leaders.

You will also be expected to undertake any training required to enable you to discharge your role effectively. This training is provided free of charge to you and made available online.

Governors are also expected to visit the school while it is open to pupils at least 6 times per year.

If you think this role could be for you and would like to know more about becoming a school governor, please get in touch with the chair of governors, Samantha Love.
