

Year 3 - Homework Grid - Spring 1

The BIG question - How does the land below and light above influence where people live - from Roman Britain to Antarctica?

All children at Trimley St Mary will receive a homework grid each half term. This homework is **OPTIONAL**. You may like to complete one of the 6 activities below each week to hand in to your teacher or you can upload work to your SeeSaw page. Regular reading, maths and spelling activities should continue to be practised - please see the grid on the back for more details.

Art & History & English

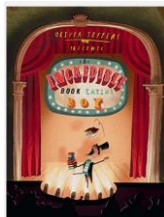

Roman soldiers needed **strong, healthy bodies** to march long distances, fight, and protect the empire. Draw and label a Roman Soldier. This video gives you some top tips. Click on the link or scan the QR code.

<https://www.youtube.com/watch?v=8uEkOhWJWb0>

Then write **5 things** a Roman soldier's body needs to do. For example:- march long distances, run quickly, lift heavy shields, balance, stay strong. You could upload a photo to your SeeSaw page, or bring your masterpiece into school. We'd love to display your work!

English

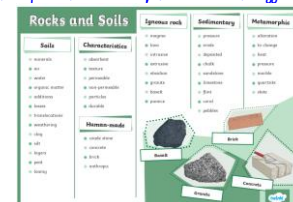

Enjoy listening to the story "The Incredible Book Eating Boy"

<https://www.youtube.com/watch?v=2pudfyV2-uw> Either - retell the story, write about your favourite part of the story, or create a poster to represent the story using a variety of images and colours. Either upload a photo to SeeSaw or bring your work into school.

Science - Rocks and Soils

Use information books or the Internet to find out more about Rocks and Soils. This website has lots of information and short films that might be useful too.

<https://www.bbc.co.uk/bitesize/topics/z9bbkq/articles/zqj9r2p#zycnn9q>

Make a simple poster or information book to show us what you've learnt. Include diagrams with labels. Or upload photos for your SeeSaw page & type a sentence to tell us what you discovered.

Maths

Why not start to learn to read and write Roman Numerals! This song is great to sing along to! Make a poster!! Click on the link or scan the QR Code!

ROMAN NUMERALS			
Can you count by only using letters?			
I	1	XXX	30
II	2	XL	40
III	3	L	50
IV	4	LX	60
V	5	LXX	70
VI	6	LXXX	80
VII	7	XC	90
VIII	8	C	100
IX	9	D	500
X	10	M	1000
XX	20	MD	1500

History - How did the Romans change Britain?

What have the Romans ever done for us? Loads!! This episode of History in a Nutshell ticks off some of the ways Britain changed forever after the Roman invasion.

<https://www.youtube.com/watch?v=SajyHgJTt3E>

Make a simple poster or information book to show us what you've learnt. Or upload photos for your SeeSaw page & type a sentence to tell us what you discovered.

Geography - Create your very own Antarctica Scene

Use **everyday materials** (e.g. playdough, cotton wool, paper, foil, LEGO, recycling, even real ice cubes). Your scene could include: ice or snow, land or sea, **one or more Antarctic animal** (penguin, seal, whale)

Choose how you'd like to present your work - we suggest you upload a photo as it could be too wet and icy to bring into school!!!!

Daily practice of key skills allows children to become more fluent and more confident, and gives them the chance to build on this knowledge. In reading, maths and phonics/spellings it has been shown that children who regularly practice skills and complete activities in a range of contexts are better able to apply these skills in all areas.

Daily reading - Share your Reading or Library Book, or a book of your own, with a grown up. Enjoy talking about your book and answering questions. Don't forget to complete and return your Reading Challenge Slip every Friday - house points, raffle tickets and class prizes are available, as well as being entered into the whole school draw to win more prizes.

Spelling practise - Every Friday, take a look at the challenge your teachers have set on Purple Mash - you might like to give this a try. We can't wait to see how you get on!

Don't forget to keep practising to spell the Year 1, Year 2 and Year 3 CEWs - you'll find these in the back of your Reading Diaries and the highlighted words you took home at the end of the Autumn Term, identify the words you need to practise too.

Marvellous Maths - Every Friday, take a look at the OPTIONAL Maths Challenge your teacher has set on Purple Mash, linked to our learning for the week. You might want to give this a try? Don't forget to keep practising your times tables on TTRS too!! We will check our leaderboard regularly. We will send home BMBT, CLIC & SAFE papers each week too - you might like to look at these with your child too. Don't forget to keep practising your times tables on Times Tables Rock Stars Too (TTRS). We will check our Class Leaderboard regularly to see your progress.

Your teachers LOVED seeing your wonderful work last term - a huge thank you for your continued support and encouragement. We can't wait to see what you create this half term! Please do not hesitate to contact your child's teacher if you have any queries about any of this.
