

Year 5/6 Homework Grid Spring 1

Daily reading and maths activities should continue to be practised – please turn over for details. For the main homework activity each week, children should select a square of the grid to complete and return to school on a Friday. It is expected that every child hands in one piece of homework each week. This can be physical or on Seesaw.

Children will be rewarded for each activity they complete.

<p>English: Fiction writing</p> <p>Write a story set in space.</p> 	<p>English: Reading</p> <p>Place yourself in the shoes of one of the characters in your reading book and write a diary entry of a critical moment from the story.</p>	<p>Creative curriculum: Space</p> <p>Design a Space Station. Year 5/6 Homework Grid

Spring 1

Daily practice of key skills allows children to become more fluent and more confident, and gives them the chance to build on this knowledge. In both reading and maths it has been shown that children who regularly practice skills and complete in a range of contexts are better able to apply these skills in all areas.

Daily Reading: By year 5/6, children should be reading a minimum of 5 times per week, with:

- Excellent phonic knowledge and skills.
- Fluency and accuracy in reading across a wide range of contexts throughout the curriculum.
- Knowledge of an extensive and rich vocabulary.
- An excellent comprehension of texts.
- The motivation to read for both study and for pleasure.
- Extensive knowledge through having read a rich and varied range of texts.

Spellings

You will receive weekly spelling challenges on Reading Eggs. Don't forget to check and complete these each week.

My Maths
