

We promote **spiritual** development by:

- ❑ Wondering at the world through art, developing curiosity and a sense of awe when exploring visual ideas, symbols and meaning.
- ❑ Creating through sketching, painting and designing, using creativity and communication to express emotions, beliefs and personal identity.
- ❑ Reflecting on art and design work, using critical thinking and commitment to consider the deeper meaning and impact of artistic choices.

We promote **moral** development by:

- ❑ Considering the ethical impact of artistic choices, using curiosity and critical thinking to explore themes of fairness, respect and responsibility.
- ❑ Collaborating in shared art projects, communicating respectfully and showing integrity by valuing others' ideas and contributions.
- ❑ Creating art with purpose, using commitment and creativity to express positive values and reflect on the consequences of choices.

Personal Development in Art and Design at Trimley St Mary School

We promote **social** development by:

- ❑ Working together on shared art projects, developing communication and collaboration through teamwork and shared goals.
 - ❑ Exploring how art connects to communities and everyday life, using curiosity and critical thinking to understand social issues and local environments.
- Celebrating creativity through displays and exhibitions, showing commitment, confidence and respect for others' work.

We promote **cultural** development by:

- ❑ Exploring art from different cultures and traditions, developing curiosity and communicating respectfully about diverse styles and meanings.
- ❑ Creating art inspired by global influences, collaborating creatively and valuing different perspectives and techniques.
- ❑ Comparing artistic traditions from around the world, using critical thinking and commitment to appreciate cultural diversity.
